The form mandatory fields are as follows:

- Title defines the title for that job / vacancy. This could either be in English and / or Arabic. The title would appear in the listings of the job.
- Name is the name of the organization where the job/vacancy is available.
- Email Id is the contact email id of the organization where all the applications would be sent.
- City & Country is the location details for the organization.

- Job End Date is the last date till which the job would be visible to the visitors. After that the job would expire and would not appear in the job listings.

After the employer submits the job, it goes for an approval to the administrator. Once approved, the job would appear in the job listing on the user side and job seekers can view the jobs.

### ◆ Job Seekers

Since ASTF allows free job hosting, it also allows potential job seekers to view jobs that suit their criteria.

However to apply for jobs the candidate need to register himself. The registration is free and allows the candidate to apply for jobs.

The screenshot shows the 'ASTF CAREER-NETWORK - REGISTER JOB SEEKERS' registration form. The form is divided into several sections:

- Login Details:** Includes fields for Login Name, Password, and Confirm Password.
- Personal Details:** Includes fields for First Name, Last Name, Sex (Male/Female), Birth Date, Industry (dropdown), Experience (dropdown), and Preferred Location (dropdown).
- Contact Details:** Includes fields for Mailing Address, City, Resident Country, Telephone, Mobile, Fax, and Email Id.
- Resume Details:** Includes a text area for 'About You' (with a character count of 500) and a file upload field for 'Attach Resume' (with a character count of 500). A warning message states: 'If you do not upload you Resume` your application could be rejected'.

At the bottom of the form, there are 'Submit' and 'Clear Form' buttons, and a 'TOP' link. The footer contains copyright information for Arab Science and Technology Foundation and links to Privacy Policy, Terms & Conditions, Disclaimer, and Copyright.

The form fields are as follows:

- Login Name / Password is the login details of the candidate for the career network, which would allow him to apply for jobs.
- First Name & Last Name is the name of the candidate, which would be used during correspondence with employer.
- Industry is the field of work of the candidate.
- Experience is total experience of the candidate in years.
- Preferred Location is the preferred location of work of the candidate.
- Resident Country & Email Id is the country of residence of the candidate. Email Id is used as the medium of correspondence, which would be sent along with the application to the potential employer.
- Attaché Résumé and select your resume using the browse button.

The user can login as a registered member and apply for jobs as soon as the administrator approves the registration.
